**STORAGE SOLUTIONS**

With over 70+ years experience serving industrial leaders, Platt & LaBonia Company LLC is proud to offer our CRAFTLINE® Storage Systems providing quality modular storage products and tool boxes.

# CREATE YOUR IDEAL WORKSHOP

CRAFTLINE® Storage Systems provide innovative storage solutions for industrial plants, professional mechanics, craftsmen, hobbyists, and DIY enthusiasts.

CRAFTLINE® Storage Systems are based on three primary organizational units: Service Racks, Bin Cabinets and Storage Cabinets. Constructed with stacking holes, coordinating bases and a standard unit dimension of 20.5"W x 12.5"D x 15.0"H, CRAFTLINE'S® modular series allows you to create a custom workstation ideal for your specific application.

The modular series can be enhanced by coordinating CRAFTLINE® drawer systems, bin cabinets, utility cabinets and toolboxes.

CRAFTLINE® products are manufactured with heavy gauge steel, high-impact polymers and durable powder coated paint finishes, engineered to withstand rugged everyday use.

CRAFTLINE'S® innovative storage products are the answer to your organizational needs.

<b>PL-BBK-5</b> 5 Drawer 3-3" Drawers, 2-6" Drawers	<b>PL-BBL-5</b> 5 Drawer 3-3" Drawers, 2-6" Drawers
<b>PL-BBK-6</b> 6 Drawer 5-3" Drawers, 1-6" Drawer	<b>PL-BBL-6</b> 6 Drawer 5-3" Drawers, 1-6" Drawer
<b>PL-BBK-7</b> 7 Drawer 7-3" Drawers	<b>PL-BBL-7</b> 7 Drawer 7-3" Drawers

## SLIDE RACK STORAGE

This four drawer cabinet is perfect for storage of fasteners and small parts when compartment tray boxes are not needed. Each drawer is equipped with a durable plastic insert with 12 adjustable dividers so you can create your own storage setup. No need to purchase additional services tray boxes. Angled steel drawer pulls and heavy-duty ball bearing slides provide quick, smooth and easy access. The unit is also stackable and can coordinate with other products for modular capability.

### PL-4DF-M

# ADJUSTABLE BIN CABINET

Fully adjustable cabinet featuring "Scoop Front" design, allows individual bin widths to be adjusted in 3" increments. Each row can be divided into as many as 8 compartments for a total of 40 per unit. Included heavy-duty polypropylene dividers fit securely into place to avoid part migration. Patented "Scoop Front" design allows for easy retrieval of small parts. Cabinet can be wall mounted, includes pre-drilled & reinforced eyelet mounting holes in rear. Finished in a durable black textured powder coat.

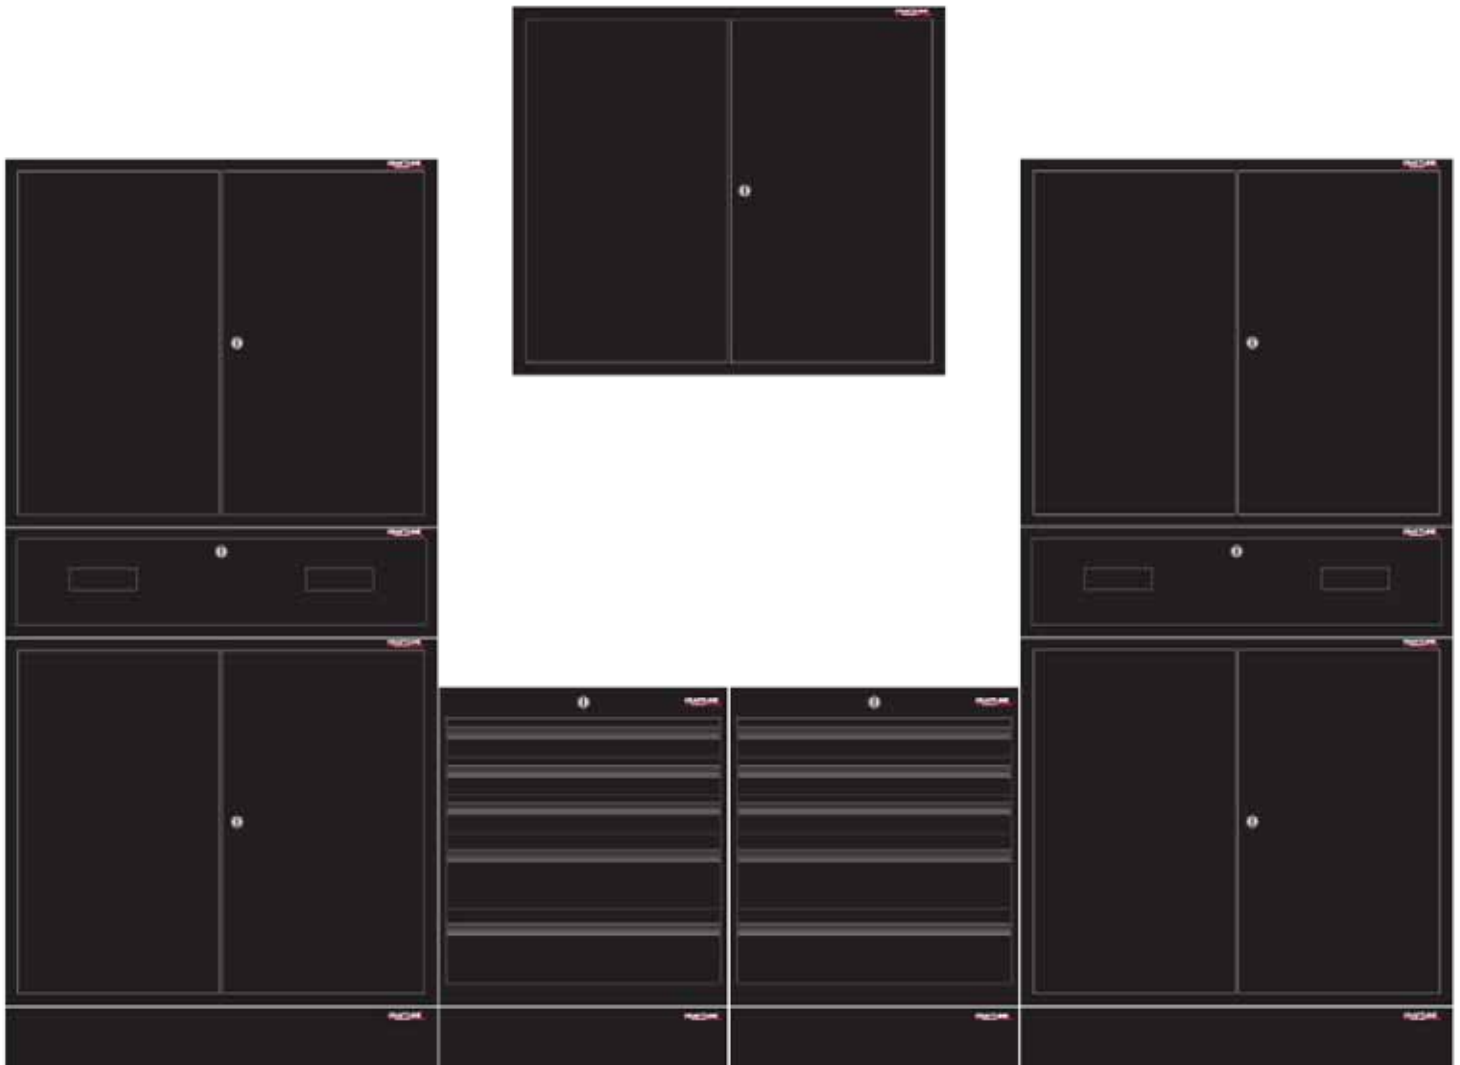

**PL-TB-35**  
25.75" W x 4.5" D x 23" H  
40 Bin Adjustable Cabinet

# MODULAR STORAGE SYSTEM
